Updated Visitor Policy

In our continued effort to prioritize the safety and wellbeing of our residents and staff, we are following the directives of the CDC regarding the Coronavirus and visitors to senior housing communities. The following will be posted and enforced at all Titan SenQuest communities:

You must delay your visit to the community if any of the following apply:

1. You have been diagnosed with or exposed to anyone with Covid-19;
2. You have reason to believe that you, someone in your household or someone you have close contact with has been exposed to Covid-19;
3. You or anyone in your household has traveled abroad in the last 14 days.

Lastly, we ask that all visitors use a lobby restroom to wash their hands with soap and water before and after visiting with the residents.

Sincerely,
